Announcing the 2021 Training Industry Top Training Companies Lists: Employee Health, Safety and Wellness Training

RALEIGH, N.C. — Aug. 19, 2021 — Training Industry today announced its selections for the 2021 Top Training Companies™ lists for the employee health, safety and wellness training sector of the learning and development (L&D) market. Training Industry, the leading research and information resource for corporate learning leaders, prepares the Training Industry Top 20 report on critical sectors of the corporate training marketplace to better inform professionals about the best and most innovative providers of training services and technologies.

[View the 2021 Top 20 Employee Health, Safety, and Wellness Training Companies and Watch List](#)

Selection to the 2021 Training Industry Top 20™ Employee Health, Safety and Wellness Training Companies List was based on the following criteria:

- Breadth and quality of programs/services and audiences served.
- Ability to deliver training in various modalities.
- Industry visibility, innovation and impact.
- Company size and growth potential.
- Strength of clients and geographic reach.

“This year’s Top 20 companies represent leading providers that ensure proper training for employees’ health, safety and compliance needs,” said Danielle Draewell, market research analyst at Training Industry, Inc. “With simulations and game-based learning, these providers demonstrate a wide range of interactive training to keep employees engaged and increase learner retention.”

“The emerging organizations selected for the 2021 Employee Health, Safety and Wellness Watch List offer alluring and up-to-date content on popular and in-demand topics in the market, such as diversity and inclusion, mental health and cybersecurity,” said Jessica Schue, market research associate at Training Industry, Inc. “These providers offer training through various modalities in an array of industries to ensure a safe and smart work environment globally.”
